phrasebooks

Our **phrasebooks** are essential accessories for travellers of all ages. Each title in the range is packed full of essential everyday words and phrases covering all the situations you are likely to encounter whilst abroad, such as finding accommodation, eating and drinking and getting around.

There's a pronunciation guide at the start of the book, and every word listed has an anglicised version to make learning the language easier. Throughout there are useful tips for the traveller, plus an alphabetical dictionary at the end providing fast and easy access to vocabulary when the need arises.

content

- comprehensive coverage of essential words and phrases
