

## series verbs

If you are learning a new language or refreshing your skills and you need an easy guide to how verbs work, this series is for you. With full coverage of 200 frequently used verbs and an extensive glossary, these books are perfect for students at all levels.

### content

- handy reference for checking verb forms
- examples of how verbs are used in context

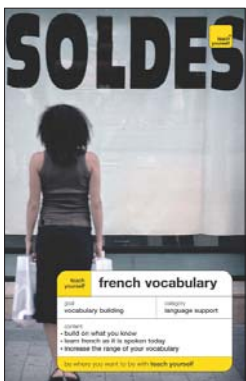

## series vocabulary

Unlike phrasebooks or dictionaries, these practical guides will take your existing knowledge and build on it systematically. They are the ideal companion if you are a language student or if you want an easy-to-use tool to increase the range of your vocabulary.

### content

- build up your knowledge of the most useful words
- keep your language bang up to date
