

Elisabeth Smith series

starter kits

Struggling with vocabulary? Put off by mountains of grammar? Tongue tied and blushing when trying to speak a new language? The **Elisabeth Smith starter kits** have come to the rescue! For anyone who thinks they're 'past it' or 'hopeless at languages' this seven-week course has been designed to take things nice and easy, building up confidence and knowledge steadily.

The **starter kits** are full of great tools: there's a coursebook, flash cards for words and phrases, and a 'Personal Tutor' on two CDs. There's also a 'Traveller's Companion' full of essential holiday language for shopping, getting about, eating out and more.

content

- everything you could possibly need to learn a language
- a daily structured programme with a personal tutor
- steady pace – just five words a day to learn
- packed with confidence-building exercises
