series

beginner's languages

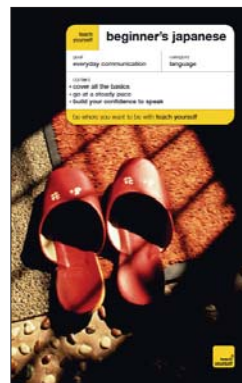

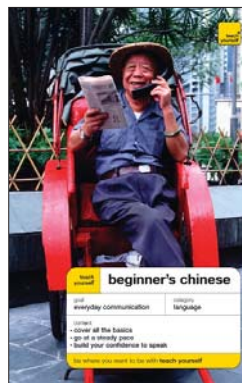

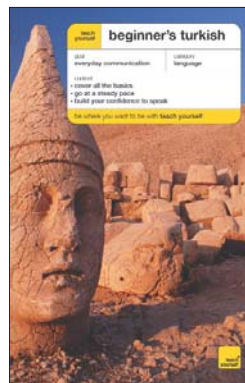

The **beginner's** courses are written for complete beginners who want to move at a steady pace and have lots of opportunities to practise new language skills. Grammar is explained very clearly and we do not assume that you have studied a language before. All the basics of both written and verbal communication are covered, and you will learn everything you need to get the most out of a holiday or to go on to further study.

The **beginner's** courses are available with up to two hours of audio support.

content

- well-paced course that inspires confidence
- assumes no prior knowledge
- packed full of clear explanations and practice exercises
